

WORLDWIDE PERFECTION

ELECTRO PIPE RAIL TROLLEY

TYPE

MPT-2

MPT-3

MPT-4

MPT, the new standard in electric pipe rail trolleys. By applying the newest innovations and materials, our delivery program of electric pipe rail trolleys has had a complete make-over. This generation of pipe rail trolleys has been made completely to the customers wishes and desires. The complete production process of our trolleys takes place in our own modern construction factory in The Netherlands. These trolleys are also guaranteed for safety, robustness and durability.
